

LoopFit Privacy Policy

LoopFit Privacy Policy Last Updated: [Insert Date]

1. Introduction This Privacy Policy explains how Appscend Labs, LLC (“Company,” “we,” “us,” “our”) collects, uses, and shares personal information when you use LoopFit.

2. Information We Collect We collect: - Account Information: Name, email, password. - Fitness Data: Exercise minutes, steps, calories (from Apple Health if authorized). - Device Data: Log data, app usage, and performance analytics. - Camera Data: QR code scans to join circles. - Profile Data: Profile photo, circle membership, streaks, leaderboard activity.

We do not collect precise location data.

3. How We Use Your Information We use your information to: - Provide core features (fitness tracking, leaderboards, circles). - Sync your fitness data between devices. - Send notifications and reminders (if enabled). - Improve the App and fix issues.

4. Sharing of Data We do not sell your data. We may share limited data with: - Supabase (our backend provider). - Apple HealthKit (if you grant access). - Third-party services (for analytics or error monitoring).

5. Apple Health Data - Health data is never shared with third parties for advertising. - Data pulled from Apple Health is used only within the App to display your metrics and sync to your account.

6. Data Retention We retain your account and fitness data as long as your account is active. You may delete your account anytime, which will remove your data from our systems within a reasonable timeframe.

7. Security We implement encryption and industry-standard practices to protect your data. However, no system is 100% secure.

8. Your Rights You may: - Access, update, or delete your data through the App. - Withdraw Apple Health permissions via iOS settings. - Contact us for privacy-related requests.

9. Children’s Privacy LoopFit is not intended for children under 13. We do not knowingly collect data from minors without parental consent.

10. Changes to This Policy We may update this Privacy Policy from time to time. We will notify you in-app or via email when changes are significant.
